

Reminder Notification to KMD Institute Students and Parents

International Diploma and Degree students attending the KMD Institute are not to engage in any form of academic misconduct prohibited by partner institution and KMD institute. Student must always comply with the educational regulations set by partner institutes and KMD institute. Details of prohibited regulations were explained on orientation day and during implementation of assignments, course works and projects.

Reminder of academic misconducts are collusion, plagiarism, impersonation, exam misconduct, fabrication of results or observations and other misconducts regulations set by KMD and its partner institutes.

Therefore, we strongly encourage our students not to violate academic integrity and to carry out their assignments and exams within the bounds of academic standard.
